

Dual Credit Application Package

The CNC Dual Credit Program allows high school students to earn college credits while completing their high school education. This package will guide you and your parent/guardian through the steps needed to apply and begin your exciting journey into post-secondary learning.:

- ☐ Download the Dual Credit program package.
- ☐ Complete the Application Package. This includes the following forms:
 - Application For Admissions and Sponsorship Details
 - Course Request Form
 - Personal Information Collection Notice and Acknowledgment
 - School Staff Approval Form
- ❖ Work with your high school counsellor to select courses that fit your schedule and align with your goals.
- ❖ Your counsellor will submit the dual credit program application, signed copies of both the student and parent information form and sponsorship form, with a completed diploma verification to regoffice@cnc.bc.ca.

**Please ensure applications are filled out completely before submitting.
Incomplete applications will be returned to counsellors for review.**

Application submission deadlines:

- June for the Fall and Spring terms
- January for the Intersession term

We strongly recommend that students apply before the end of their Grade 10 or 11 year to get the best course selection. This allows us to register the student into their preferred courses before seats fill up. Applications submitted after the deadline will still be processed, but course selection may be limited.

It should be noted that successful completion of your CNC courses does not guarantee admission to future CNC programs. If you wish to continue your studies at CNC after graduation, you must submit a new application for the desired program and meet all admission requirements at that time.

Dual Credit Course Offerings

For course details please visit cnc.bc.ca/admissions/register and select "View the Catalog" to see course descriptions as well as their scheduled dates and times. Please review courses carefully as some courses may only be offered in certain semesters.

Personal Information Collection Notice and Acknowledgment

(to be completed by the student)

Applicant Name: _____

Birth Date: _____

The College of New Caledonia collects and manages personal information under British Columbia's Freedom of Information and Protection of Privacy Act as necessary for the purposes of admission, registration, and support services for students in the CNC community. Personal information collected during application, and throughout a student's studies is also used for the purposes of reporting, quality assurance and improvement of our programs and services, research, and any other legally required or authorized use. Personal information that directly identifies students is only released when necessary to complete the above activities. The College of New Caledonia gathers and maintains information used for the purposes of admission, registration, and other fundamental activities related to being a member of the CNC community and attending a public post-secondary institution in the Province of British Columbia. Information provided to the College by students, and any other information placed into the student record, will be protected, and used in compliance with the BC Freedom of Information and Protection of Privacy Act.

Students are advised that the use of information provided on this application form, and other information placed in a student record, complies with the BC Freedom of Information and Protection of Privacy Act, and with the policies and procedures of CNC and SD 91. In addition to internal administrative uses related to student admission, registration and status, student information may also be used in strict confidence by CNC and /or SD 91 for research and planning.

Certain student information is provided on a confidential basis to Statistics Canada as governed by the Canada Statistics Act, and to the BC Government. The internal use of student records and the obligatory reporting of student data to external bodies respect the absolute confidentiality of student information.

As the program is a collaborative program between CNC and SD 91, I acknowledge the institutions will share information concerning my application, admission, registration, academic standing, and grades as needed.

Questions about the collection and use of this information should be directed to:

School Staff Approval

As part of the dual credit application process, we want to ensure that the student is set up for success and fully supported in their journey. Please share your assessment of the student's readiness, including whether the student has a clear understanding of expectations in a post-secondary setting, student responsibilities and commitments required to succeed. Insights will help us understand how this student is prepared to transition into an adult learning environment at CNC. Do not provide any personal information about the student that is not necessary to answer the following question. Consideration should be given to any necessary high school pre-requisites.

- Do you believe this student has shown academic readiness and maturity to study in an adult environment and will be successful in their courses at CNC? Do not provide any personal information about the applicant that is not necessary to answer the question.

☐ The student has demonstrated readiness for this opportunity, and I fully support their application to CNC.

☐ No, I do not recommend the student at this time.

Optional - Please share any additional thoughts about this applicant and their suitability in the space below:

Keys to Success at CNC

- **Attendance Matters!**

While enrolled at CNC, it is the expectation that you will attend every class to successfully meet course competencies.

- Make sure you have transportation to and from CNC.
- Notify your CNC instructor via email if you will be late and/or absent.

- **CNC Community Values**

At CNC, we strive to foster a campus community characterized by accountability, respect, inclusivity, and safety. We expect integrity, academic honesty, and respectful behavior from students, faculty and staff, trusting that they will conduct themselves accordingly in all aspects of campus life.

CNC students are expected to adhere to the respective Codes of Conduct at all partner institutions, including but not limited to the following:

- [CNC Academic Conduct Policy](#)
- [CNC \(Non-Academic\) Conduct Policy](#)
- [CNC Student Complaint Resolution Policy](#)
- [CNC Student Sexual Misconduct Policy](#)

You are encouraged to visit [CNC's Policy Webpage](#) for a comprehensive list of CNC policies and procedures.
